Instructions to Join Town of Willsboro Board Meeting

From PC or Mac

- Click the **meeting link** to open it in a browser.
- When prompted, click on "Continue on this browser." If you have Microsoft Teams installed, you can click on "Join on the Teams app."
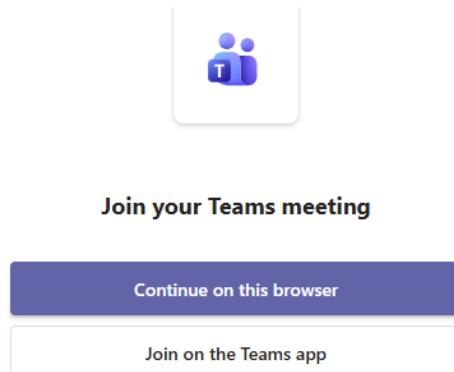

From a mobile device

- Click the **meeting link**.
- If you already have the Teams app installed, it should open on your mobile device. If it doesn't open automatically, click on "Join meeting."
- If the Teams app is not installed, click on "Get Teams" and install the app from the Google Play Store or the Apple App Store.
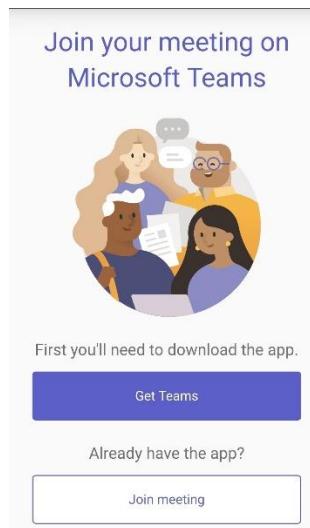

- *** For iPhone users**, if you are unable to join the meeting by clicking on "Join meeting," and you already have Teams installed, click on **this link** to open Teams directly.
