For the purpose of providing for the future growth and development of the Town and affording adequate facilities for the housing, transportation, distribution, comfort, convenience, safety, health and welfare of its population the Town of Willsboro Planning Board is authorized to approve special use permits in our community. The Planning Board follows the procedures for special use permit review as presented in the Consolidated Laws of New York, Town Law §274(b).

Planning Board meetings are held on the 4th Tuesday of each month at 6:00pm at the Town Hall, 5 Farrell Road, Willsboro, NY 12996 (518) 963-7411

The review of a Special Use Permit Application shall begin with a site plan sketch (tax map section). The site plan sketch shall show:

1) the entire plot of land,

2) the tax map number,

3) the zoning district(s),

4) the size and location of any proposed or existing buildings, signs, roads, parking areas, utilities,

5) the locations of any proposed or existing easements, covenants or restrictions.

An application for a Special Use Permit shall include:

_____ a detailed narrative of your proposal (including number of employees, hours of operation, etc.)

_____ a copy of the deed relating to the property, and any proposed easements, covenants or restrictions

_____ SEQR (State Environmental Quality Review) compliance documents

At this time, the Planning Board will also determine if the applicant must receive any permits and approvals from other collaborating agencies:

____ The Adirondack Park Agency (i.e.: wetlands, Class A Regional Projects, River Corridor Project)

____ NYS Dept. of Environmental Conservation (i.e.: Full EIS Compliance, Stormwater Management)

____ NYS Dept. of Health (i.e.: Public Water Supply, Sanitary Facilities, Subdivision Fees)

____NYS Office of Parks, Recreation and Historic Preservation – Project Review

____ The Essex County Planning Board – Project Review (General Municipal Law §239-n)

- _____ the appropriate highway department (Town of Willsboro, Essex Co., or NYS DOT)
- ____ other: _____

The Planning Board may also request:

_____ copy(ies) of any driveway permit(s) required on Town, County or State roads

_____ design(s) (by a NYS licensed engineer) of all proposed on-site sewage treatments systems, and water supply systems which meet the requirements of the NY State Dept. of Health

- water supply systems which meet the requirements of the NT State Dept. of Health
- ____a site plan (by a NYS licensed surveyor) which includes all requirements of the site plan sketch.
